1. Biography

« *Here's to alternative rock music!* »

Hype Lights gathers four **alternative rock & pop-punk** fans from Lyon, France. FFO : **Silverstein, Taking Back Sunday, Story of The Year** etc...

Back in 2016, the band wrote its first concept album which allowed them to give **more than 60 concerts in France**, including **shows** with more than **3000 people**, and a digital appearance in **Stencil Magazine UK** featuring bands like **Enter Shikari, Lower Than Atlantis, Trivium, The Maine**. Then, the band took a break. Hype Lights gave its very first concert in **Geneva Switzerland in June 2020**.

Since 2017, the **band** has been preparing its **comeback** with a **new EP** «Reckless», which will be out in **2021**, produced by Bert from **Chunk! No, Captain Chunk!**

2. Discography

Album & EP

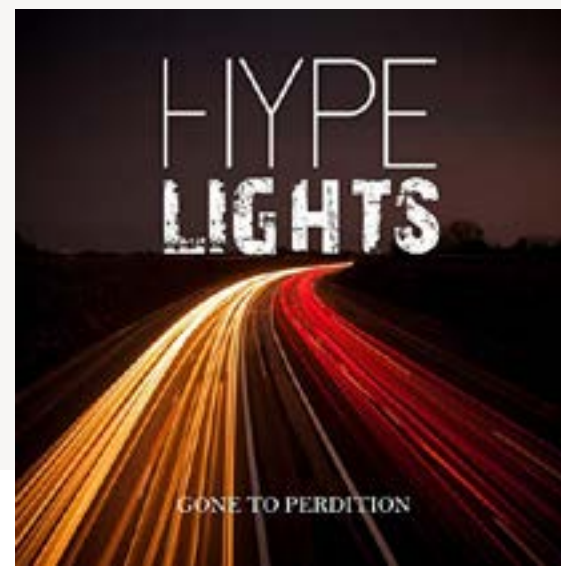

In 2016 the band released a **concept album** inspired by «American Idiot» by **Green Day** and «The Black Parade» by **My Chemical Romance**. The 9-track album «Gone to Perdition» is available on all streaming platforms.

Since 2017, **Hype Lights** has been **preparing** its **comeback** with the release of an **upcoming EP** «**Reckless**», mixing **pop-punk and post-rock**, and has **collaborated with** Bertrand PONCET and Bastien LAFAYE from Alias Studio - **Chunk! No, Captain Chunk!** for the music production. Available later in 2021.
